Acting & Short Film Mastery Summer Camp

In our Acting & Short Film Camp, young actors and aspiring filmmakers will bring their ideas to life from start to finish. Campers will collaborate to create an original story, develop dynamic characters, and explore the art of acting for the camera.

Throughout the week, they'll dive into key skills like storytelling, scene work, improvisation, and on-camera technique while also getting a behind-the-scenes look at directing and filming. Working as a team, they'll rehearse, shoot, and star in their very own short film. By the end of the week, campers will premiere their finished film and take home a one-of-a-kind project they helped create—along with new confidence, creativity, and unforgettable memories.

Seussical The Musical Summer Camp

Step into a world of imagination, color, and creativity in our Seussical-Inspired Musical Theatre Camp! Young performers will journey through the whimsical stories of Dr. Seuss while building confidence in singing, dancing, and acting. Campers will learn how to bring characters to life, connect movement with music, and tell a story on stage—all in a fun, supportive environment.

Throughout the week, they'll rehearse a lively musical theatre piece, combining scenes, songs, and choreography into a final performance for family and friends. Along the way, they'll grow their stage presence, spark their creativity, and make unforgettable memories with new friends.

It's a week full of laughter, imagination, and "Oh, the places you'll go!"
