# STUDENT EVALUATIONS ARE COMING!

WE'RE EXCITED TO SEE YOUR DANCERS GROWTH IN CLASS!

As we head into the remainder of the season, consistent **class attendance is more important than ever**. Our instructors will soon begin their evaluation process during dancers' regular classes, using this time to thoughtfully assess skill development and help determine the best class placement for **next season**.

This season continues all the way through June 2026, with Season 12 officially beginning in July 2026, so there is still plenty of time for growth, confidence building, and progress.

Evaluations will begin making their way to families at the end of March/beginning of April, and we will be sharing more detailed information soon about the evaluation process and what to expect.

Thank you for prioritizing class attendance and supporting your dancer's journey. **Every class counts**, and we are so excited to watch them continue to grow through the rest of the season
